

E59- E63**SUPPLEMENT 991, 995****E1086-E1093,
E1193**Copies of the *Locomotive Magazine*, 1896-1959**Item 991: Bequests of C.S. Bayes [106], P. Proud [201] and A.C. Sandwell [088]****Item 995: Bequest of J.A. Gardner, GERS Purchase**

This Supplement details the copies of the *Locomotive Magazine* previously listed under item 991, plus those added during 2017 as the bequest of J.A. Gardner under item 995. This latter bequest has enabled a number of the existing poorer-quality bound volumes and single issues to be replaced by items in better condition.

This Supplement is in two sections: In the first, the two donations are listed separately. In the second, the two are combined as a single list arranged in date order.

Note: Item suffix number relates to the issue number of the magazine, either a single issue or the first issue of a complete year: Thus, Item **991/248** is issue 248, April 1913
