10024	Lowestoft Harbour	From London Road looking east to fish market			View of Location	
10040	Thorpe-le-Soken	Junction in the country with overhead wires. Looking towards Thorpe-le-Soken from Walton line, Clacton line to left			View of Location	
10041	Tottenham	From up plat looking N. Light engine tender first approaches.			View of Location	
10042	Tottenham	From up plat looking S. View of SB and Stn bldgs.			View of Location	
10043	Lowestoft Harbour	From end Hamilton Road looking along eastern side of fish dock towards Harbour mouth.			View of Location	
10044	Lowestoft Harbour	From same viewpoint as 10043 looking west parallel with Hamilton Road.			View of Location	
10063	Ipswich	Halifax water troughs from London end. Zig-zag sign prominent.			View of Location	
10070	Parkeston Quay	Station viewed from SW.			View of Location	

10071	Holderness	Holderness Drain South signal box and sidings			View of Location	
10072	Holderness	View over allotments. Railway in distance			View of Location	
10073	Holderness?	Signal box and junction in distance			View of Location	
10074	Holderness	Signal box. Similar to 10071 but standing a bit further back			View of Location	
10075	Holderness?	Double-track junction. Dockside cranes in distance.			View of Location	
10076	Holderness?	Double-track junction. Perhaps as 10075 but looking opposite way?			View of Location	
10077	Holderness	View to Holderness Drain South signal box			View of Location	
10078	South Cave, H&B	Two-platform brick-built station, now disused, looking towards Cudworth.			View of Location	
10079	Unidentified	Extensive goods yard, now largely disused. Dockside cranes in far background?			View of Location	
10080	Unidentified	Similar to 10079. Some wagons present, but vegetation in tracks			View of Location	
10081	Unidentified	Weighbridge and access to goods yard			View of Location	
10082	Unidentified	GC H&B & M(?) Committees cast-iron notice.Same location as 10081			View of Location	
10083	Braithwell Junc	Unidentified loco (ex-GC?) tender-first on short freight in cutting south of Braithwell Junction when only one line in use, the other being used for wagon storage. Braithwell Junc sb visible in background.			View of Location	
10084	Braithwell Junc	Braithwell Junction sb, GC H&B and Mid Joint, with GC and Mid Jt to Kilnhurst to left and GC and H&B Joint to Warmsworth to right - the latter long closed and used for wagon storage			View of Location	
10085	Unidentified	GC and Mid. Ry cast-iron notice			Miscellaneous	
10086	Unidentified	Double track in woody cutting. Perhaps similar location to 10084?			View of Location	
10087	Maltby, South Yorks Joint	SYJ Lines Committee cast-iron notice. Station and SB in background, looking north towards Maltby Colliery			View of Location	
10088	Maltby, South Yorks Joint	Two-platform station in woody area looking north towards Maltby Colliery. Water column and SB visible.			View of Location	
10089	Unidentified	Single track in cutting.Distant signal cleared.Illegible cast-iron notice.			View of Location	
10090	Aberdeen	General view of station. Platforms, signals.			View of Location	
10091	Aberdeen	View of station under canopy. Signal gantry			View of Location	
10092	Aberdeen	Station. Similar viewpoint to 10090. Sleeping car train in platform			View of Location	
10093	Forth Bridge	General view			View of Location	
10094	Forth Bridge	Another view			View of Location	
10095	Aberdeen	View of station. (A bit blurred)			View of Location	
10096	Unidentified	Disused trackbed. Houses to right, scrapyard(?) to left.			View of Location	
10097	Unidentified	Wooden terminus station. Single line to buffer stops.			View of Location	
10098	Unidentified	Same station as 10097. Loco and wagons in goods yard.			View of Location	
10099	Unidentified	A different disused wooden small station.			View of Location	

10100	Unidentified	Same station as 10099. Wagons in goods yard.			View of Location	
10101	Berwick-on-Tweed	End of platform looking south			View of Location	
10103	Berwick-on-Tweed	Signal box and platform under canopy			View of Location	
10104	Berwick-on-Tweed	On platform. Goods lift and bridge and water crane prominent			View of Location	
10105	Berwick-on-Tweed	View along platform and adjacent goods yard.			View of Location	
10106	Berwick-on-Tweed	View along platform to overbridge. Trains in platforms.			View of Location	
10107	Berwick-on-Tweed	General view along platform and carriage sidings			View of Location	
10109	Unidentified	Dundee and Arbroath Joint railway tinplate sign			Miscellaneous	
10110	Dundee East	Panoramic overview of station and its approaches			View of Location	
10111	Dundee East	Closer view of covered terminus (disused?)			View of Location	
10112	Dundee East	View from platform end looking toward approaches			View of Location	
10113	Elliot Junction	View of tidy station looking along platform toward footbridge			View of Location	
10114	Elliot Junction	View from opposite end of platform. Signal box in background			View of Location	
10115	Unidentified	Grass-grown goods yard. Dockside cranes in background			View of Location	
10116	Unidentified	Grass-grown goods yard. Similar to 10115 looking opposite way?			View of Location	
10117	Hawes	General view of station. Road overbridge in background			View of Location	
10118	Hawes	End of passing loop with signals			View of Location	
10119	Hawes	View of station, opposite direction to 10117. (A bit blurred)			View of Location	
10120	Hawes	Another view from centre of platforms			View of Location	
10121	Carlisle?	Wagons being unloaded in goods yard			View of Location	
10122	Carlisle	Denton Holme goods station			View of Location	
10123	Carlisle	Denton Holme goods station, viewed from across the river			View of Location	
10125	Unidentified	Two-platform station. Footbridge, signals, overhead wires			View of Location	
10126	Unidentified	Same station as 10125, looking opposite way			View of Location	
10127	Dalreach	Station, footbridge, signals, signal box, junction			View of Location	
10128	Dalreach?	Station looking opposite way(?)			View of Location	
10129	Dundee	Camperdown East Junction - view of sidings			View of Location	
10130	Dundee	Camperdown East Junction - view of sidings			View of Location	
10132	Unidentified	Street in town. Entrance to goods depot?			View of Location	
10134	Unidentified	Dockside road, then several tracks. Higher level carriage sidings			View of Location	
10136	Unidentified	Single line in hilly countryside (Tebay line near Kirkby Stephen?)			View of Location	
10137	Kirkby Stephen East	Appleby line on left, Tebay line on left near Kirkby Stephen			View of Location	
10138	Kirkby Stephen East	General view of station			View of Location	
10139	Kirkby Stephen East	Partial view of turntable and locos			View of Location	
10140	Kirkby Stephen East	View of station overall canopy and adjacent trackwork			View of Location	
10141	Appleby	Turntable in foreground, signal box in distance			View of Location	

10142	Appleby	Similar to 10141, taken nearer turntable which is only half visible			View of Location	
11001	Murrow	From W side M&GN LC Itw Peterborough. (Sig)			View of Location	
11002	Murrow	From E of LC Itw conn spur and GN&GE south.			View of Location
